

EVELYN VONDRACHEK

PROFESSIONAL SUMMARY

As a passionate and driven young designer, I'm eager to immerse myself in the world of product design. I'm looking for an opportunity to gain hands-on experience, collaborate with industry professionals, and refine my skills under expert mentorship. I'm open to diverse industries and locations, excited to contribute fresh ideas, and ready to learn from real-world design challenges.

EDUCATION

College for Creative Studies, Detroit, Michigan
Bachelor of Fine Art, Product/Industrial Design
Anticipated graduate 2027

EXPERIENCE

Tiara Yachts

Summer 2025

Internship

Collaborating with engineers and designers to develop elegant, consumer-focused boat designs. Creating design concepts and fully detailed CAD models, ensuring accuracy and readiness for production.

Michigan Design Prize

Winter 2025

Mentor

Teaming up with a young designer, I guided my mentee's project by helping to problem-solve and sketch their idea. Then 3D modeling and rendering the final design in partnership with an industry professional.

Dahsheng Chemical

Fall 2024

Sponsored Project

Awarded 1st place – Leveraging DSC's unique foam products and processes to create specialized sport padding equipment that prioritized DSC's core values of player safety, comfort, and performance.

Lacks Enterprise

Fall 2024

Sponsored Studio

Partnering with Lacks Enterprise, I analyzed consumer insights through a developed persona and CMF board, applying my findings to design a striking pattern for Lumminelle backlit panels.
