## EXPERIENCE

**Chipotle**  
*Kitchen Manager*  
2023–Now

Oversaw daily kitchen operations, managing \$10K+ in food preparation and service while maintaining food safety and quality standards. Trained and supervised a 40+ member team to improve consistency and efficiency in the workplace.

Monitored inventory and reduced food waste by 20%, increasing overall profitability.

**CCS**  
*Department  
Work Study*  
2023–2024

Produced content and infographics supporting students and faculty in the Communication Design & Strategy department. Designed visual assets for events and exhibitions, maintaining institutional branding.

Provided daily design support to streamline communications and enhance department visibility.

Ensured all departmental plants thrived—creative environments need green life, too.

**CCS**  
*Riso Technician*  
2025–Present

Lead technician managing daily operations of the risograph lab, maintaining print quality and troubleshooting technical issues.

Trained dozens of students through workshops and classes on risograph printing, safety, and creative applications.

Held weekly office hours supporting over 100 successful print runs for academic and personal projects.

Produced posters, digital graphics, and informational materials to streamline departmental communication.

## HONORS

*CCS Exhibition*  
2023, 24, 25

Created dozens of works showcased in the College for Creative Studies Student Exhibition, a selective process involving faculty review and panel judging before display and sale.
