Chartwells Higher Education /// Ypsilanti, MI

Dishwasher

Supported large-scale dining operations serving 1,000+ students daily. Upheld strict health and safety standards while efficiently processing hundreds of dishware items during peak meal times. Demonstrated reliability in a fast-paced university dining hall through consistent attendance and dependable shift coverage.

ABOUT

I'm an emerging designer with experience across digital and print media, motion graphics, and visual storytelling. I'm looking for a design opportunity where I can expand my technical skills, learn from experienced designers, and contribute thoughtful, creative solutions to meaningful projects and real-world challenges.
