Emerging designer eager to learn and contribute through real-world projects. Interested in combining design thinking and visual storytelling to solve communication challenges.

WORK EXPERIENCE

Freelance Graphic Designer Volunteer

Troy,MI 2025

Designed a series of promotional posters and business cards for a local client using Adobe Illustrator and Photoshop.

Focused on typography hierarchy, layout balance, and color harmony to align with the client's branding.

Prepared print-ready files and digital versions for social media promotion.

Work was displayed at community events and received positive feedback from the client.

Volunteer Web Designer

Troy,MI 2025

Collaborated with a small business owner to design and build a 4-page responsive website using Wix.

Developed layout, color palette, and typography system to reflect the brand's identity and improve readability.

Managed content organization and navigation, ensuring a user-friendly experience across desktop and mobile.

Delivered the final website on time, and the client continues to use it for brand promotion and product updates.
