## ▼ EDUCATION

### College for Creative Studies

Detroit MI, USA

Bachelor of Fine Arts in Transportation Design

Fall 2023-Summer 2026 (anticipated)

### National Kaohsiung Normal University

Kaohsiung, Taiwan

major in Industrial Design

Fall 2020-Winter 2023

## ▼ PROJECTS

### 2035 SRT Halo

Stellantis Sponsored Studio Fall 2025

A next-gen SRT hybrid flagship that blends classic ICE heritage with advanced EV technology to reimagine performance.

### 2040 Mack Monument

Personal Project Summer 2025

A purpose-built truck for veteran couples, turning life after service into a shared journey of pride, connection, and rediscovery.

### 2030 Project VITA

Michigan State Gov. Sponsored Studio Winter 2025

NEV based mobility solution that aims to change the current car-reliant situation, and ultimately revitalize the Detroit Metro area.

### 2035 Toyota Nestura

Toyota Sponsored Studio Fall 2024

Exterior design inspired by the ground cherry, for grandparents and grandchildren to go on nature bathing trips, with a 1/5 scale clay model included as the final deliverable.

### 2035 CMC Embor

China Motor Corp. Intern Project Summer 2024

Internship project from summer 2024 at CMC (China Motor Corp.), Taoyuan, Taiwan. A European semi truck for retired couple drivers as a part of the solution to driver shortage.
