Expected Graduation 2027

STRENGTHS

Culturally inspired design approach
Strong spatial and visual skills
Works effectively both independently
and collaboratively
Detail-oriented with a focus on
meaningful design solutions

SKILLS

AutoCAD
Revit
SketchUp
Enscape
InDesign
Photoshop

SCHOOL PROJECTS

The Garden of the Twelve

A wellness-focused mosque designed to foster spiritual and communal connection, featuring a prayer hall, courtyard, library, and educational spaces on the second floor.

The Babylon Hotel

An Iraq-inspired luxury hotel merging traditional Arab architecture with contemporary form to create a timeless and immersive guest experience.

Stafford House

A mixed-use building with commercial tenants on the ground floor, including a café, office, and training space, and residential apartments on the upper floor.

Oakland Brew & Box

A combined café and post office designed to offer convenience, connection, and caffeine in a single stop. Warm hospitality is merged with efficient service, creating a space where guests can mail packages, grab a drink, or stay and enjoy the atmosphere.

Seeds Residence

A two-story home inspired by Wabi Sabi principles, emphasizing natural materials, balance, and simplicity to create an inviting atmosphere.
