Career Objective

Seeking a position as a transportation designer in an automotive design studio where I can leverage my skills in design and teamwork to craft an exciting future for automotive interiors and exteriors. Looking to bring value to the brand that I work for through contributions in design and to a creative studio culture.

Experience

Interior Designer

Calty (Toyota) Sponsored Studio • Detroit, Michigan 01/2026 - current
Developing an interior concept for the 2030 Toyota Sienna under guidance of current Toyota Designers and CCS Faculty.

Exterior Designer

Ford Sponsored Studio • Detroit, Michigan 09/2025 - 12/2025
Worked with CCS faculty members and current Ford designers to develop exterior design concepts for Ford F-Series Trucks.

Exterior Designer

General Motors Summer Sketch Program • Warren, Michigan 06/2025 - 08/2025
Created a personal exterior design concept with guidance and mentorship from current GM designers.

Transportation Design TA

College for Creative Studies PCSE • Detroit, Michigan Summers 2024 & 2025
Assisted current CCS faculty in teaching the next generation of automotive designers ages 8 to 18.
Assisted in both college level classes and summer camp class for younger students.

Activities

Student Council Representative

College for Creative Studies • Detroit, Michigan 09/2025 - current
Representing the voices of students to both the larger school leadership and to the head of the department.

Education

College for Creative Studies

Bachelor of Fine Art, Transportation Design • Detroit, Michigan Expected graduation: 05/2027
