illustratedbygrace@gmail.com

Design-focused Illustration BFA candidate with hands-on experience supporting design teams in fast-paced, print production-focused environments. Strong foundation in typography, Adobe, file preparation, and collaboration. Highly organized, detail-oriented, and eager to grow in the book design field.

EXPERIENCE

Literary Illustration Intern

Lucky Jefferson Literary   *January 2026 – Present*

- Designs and illustrates material for printed issues, including covers and interiors.
- Creates illustrated marketing material for social media and website promotion.
- Collaborates with other illustrators and administrators on feedback of designs.

Graphic Designer

Beautiful Day Learning Center   *December 2025 – Present*

- Designs social media posts, flyers, newsletters, and other promotional materials.
- Manages both Instagram and Facebook accounts for Beautiful Day Learning.
- Collaborates with administration and teachers to ensure all design needs are satisfied.

Graphic Design Intern – Visual Merchandising

e.l.f. Cosmetics   *May 2025 – August 2025*

- Provided administrative and design support to the international visual merchandising team.
- Prepared, proofed, and organized InDesign and Illustrator files for print production handoff.
- Collaborated with art directors, copywriters, translators, and brand marketing teams.
- Created internal presentation decks and mock-ups.
- Supported large-scale print production for designs implemented across 2,000+ retail locations in Europe.

Software & Writing Tutor

College for Creative Studies   *August 2023 – Present*

- Provides one-on-one support in academic writing and design software (primarily Adobe Photoshop, Illustrator, and InDesign).
- Maintains detailed records, manages schedules, and supports departmental outreach initiatives.
