EXPERIENCE

College for Creative Studies, Detroit, MI — *Teaching Assistant*

September 2025 -Present

As a Teaching Assistant for 3D Character Animation levels 2 & 3, I assist with feedback on modeling, texturing, rigging, and animation of fully 3D assets. I likewise assist with gathering educational resources and creating presentations covering a wide array of conceptual and technical skills.

Walt Disney World Company, Orlando, Fl — *Disney College Program*

April 2024 - August 2024

As a Disney College Program Participant in the role of Merchandise Cast Member, I provided exceptional guest service while upholding Disney's core values. I engaged with guests to foster positive interactions and maintained an organized and visually appealing merchandise area to strengthen the storytelling of the park. Additionally, I took advantage of the provided workshops and guest speaker sessions to develop my skills in 3D animation, modeling, and soft skills.

Aurora on the Lake, Commerce, MI — *Food Runner*

May 2025 - August 2025

As a food runner at Aurora on the lake, I worked with a team to ensure customers had a premiere dining experience, and the kitchen functioned as efficiently as possible.

Volunteer Work

Michigan Kids on the Move — *Custom Mobility Vehicles for Children with Disabilities*

Michigan Kids on the Move creates custom mobility vehicles for children who are too small for standard motorized wheelchairs, or who cannot afford them. Made to fit the specific needs of each child, these modified ride-in cars allow these children an opportunity for freedom of mobility, while also promoting self healing.
