### Skills

---

Maya	TV Paint
After Effects	Harmony
Premiere Pro	Illustrator

---

---

### Experience

---

#### Animation

September 2021 -

Making films, working on collaborative projects with modeling and rigging experience.

#### Graphic Design

August 2024 -

I work with small businesses and projects to create logos for branding.

#### Dairy Queen / Operational Manager

September 2022 -

I ensure that teams get the work they need to do done, and all tasks are completed so that the store runs smoothly day to day.

#### Lawrence Technological University / Student Assistant

August 2021 - January 2022

I interned at the college assisting staff in a 3D metal printing research project. Then became a student assistant in the 3D printing lab.

---

### Education
